

# Prentus

---

New software to help  
organize your job search

# We are excited!

---

Prentus helps career services with engagement with the job search while providing a Job Tracker and Planner tool and much more

# We are excited!

---

Prentus helps career services with engagement with the job search while providing a Job Tracker and Planner tool and much more

# 01

## Working together

---

The goal is to make it as easy as possible to connect you with your dream job.

**Prentus**

# 02

## On the LEARN side

---

I can monitor your activity & successes as well as set tasks and inform you of new opportunities

# Prentus

# 03

## On the member side

---

You can keep track of your applications, organize them, reach out to LEARN about particular jobs and plug into Prentus' network of partners

# Prentus

# Work Session

---

1. Sign up to Prentus and fill out your profile completely
2. Download the Chrome extension

**(30 mins)**

# Work Session

---

1. Use the job listing sites to add to your job board
  - a. Set up alerts as you go
2. Look around the site to familiarize yourself
3. Add to the LEARN community message board
4. Spend more time completing resumes & cover letters

**(The rest of the morning session; remember to take breaks)**
