Career Services

Career Services at LEARN

❖ Advice on tech-industry specific assets such as resumes etc

❖ Runs parallel with the technical curriculum and should be viewed as important as technical side

❖ Individualized to get what you need out of the job hunt process

❖ Support you through to your first job placement, and beyond

❖ Access to a support network of hundreds of alumni and community members

Career Readiness Classroom Input

❖ Networking
  ➢ How to make useful connections at online or in-person events
  ➢ How to optimize your LinkedIn profile to make connections and interact
  ➢ How to leverage your network in the job search process
❖ Panels
  ➢ Alumni: A chance to ask questions and hear from those who have made a success of their time at LEARN
  ➢ Hiring Professionals: Learn more about what to expect during the interview process for an entry-level web developer

Career Readiness Classroom Input

❖ Salary negotiation
   ➢ Strategies for ensuring your new technical skills are properly compensated
❖ Tech Talks
   ➢ Create and deliver a 10-min talk about a technical topic of your choice
   ➢ Recorded so you can use it on LinkedIn or pitch to meetups
❖ Portfolio Site
   ➢ Build a portfolio site to showcase your skills
   ➢ Tools for the job search
   ➢ Demo your portfolio during Professional Development Week

Professional Development Week
